Notes

Port strike held up our stuff. Agreed to share our container for a discount

Vet costs were more than expected for all the specialty tests

Had to fly across Canada as a necessary vaccine is backordered across Canada. Only one vet had it.

Had to spend more for the car we wanted with reasonable kms

Spent more on some quality items or lost out on sales because of when we needed it

Notes

Had to spend a lot more than expected to get a comfortable bed that fit Gordon
Landlord gave us bes for the kids for free

Spent more to get one with a power rotary head

Opted for a nicer one with a dual battery pack and charger since we have a huge lawn

Needed to spend more for a comfortable mattress for my parents visit

Opted for a frame with a drawer for my parents to store clothes while visiting since the bedroom is so tir

Cost more for all the little things than expected

Food, contiments and cleaning supplies were a lot more than I expected
